As part of L'AiR Arts intercultural exchange program, the event will feature exclusive presentations by Atelier 11 current residents: visual artist Laura Põld from Estonia and the Paris-based multimedia artist Camille Boulay. During this special occasion, we will also celebrate the launch of the much-anticipated book *Your Time is My Time*. After the open studio, you will also have an opportunity to join us for dinner at the historical restaurant, Aux Artistes, and end the night with a dance party hosted by one of our past residents Didier Clain!
